

## STARTERS

Starch helps you create indulgent starters with **improved processing and shelf stability.**

1. Bring indulgent texture to low-fat dip
2. Make tasty, pulpy sauce truly affordable
3. Give acidic sauce its perfect cling
4. Make every bite of quiche fluffy
5. Add clean label appeal to your juicy sausage
6. Give your Asian sauce high clarity and shine
7. Increase stability of Greek yogurt-based dip
8. Make oven-baked French fries crisp and delicious
9. Put perfect spreadability in your low-fat savory spread

## Soups & Salads

Create the textures consumers want—in soups, crackers, dressings and more.

10. Make crackers irresistibly CRINCHY™
11. Eliminate eggs in a flavorful vegan dressing
12. Create premium soup so good, consumers can't believe it came from a mix
13. Give your home-style soup all the goodness of grandma's
14. Enhance your gluten-free white bread with the heartiness that makes the sandwich
15. Bring amazing creaminess to dairy-free soup
16. Whip up reduced-calorie dressings that are thick and rich

# 31 Fresh THINGS YOU CAN DO with Starch

## MEALS

and more

Add health benefits and reduce costs in delicious meal components. Starch makes it possible!

17. Reduce the fat in your Alfredo sauce while retaining the creamy deliciousness
18. Improve gluten-free pizza so much, it outshines the real thing
19. Enjoy superior melt in imitation cheese
20. Create authentic ethnic flavor in a sauce with a pure and simple label
21. Make phosphate-free chicken firm and juicy
22. Fortify your chef-inspired cooking sauce with superior heat stability
23. Create savory meat rubs with real staying power
24. Make perfectly textured meatballs that are savory and delicious
25. Deliver an oh-so-satisfying pasta experience that helps maintain healthy blood sugar

## Desserts

Deliver traditional goodness and a clean label with today's starch solutions.

26. Keep reduced-sugar frozen desserts creamy and indulgent
27. Bring old-fashioned creaminess to your tapioca pudding
28. Create a flavorful fruit spread that carries a clean label
29. Put the "ultra" in moist, rich chocolate cake
30. Give cookies a craveable chewiness
31. Make simply perfect apple pie

And 31 is just the beginning!

For more innovative ideas, let's come to the table together.
