Note: The Company listed above must undergo and pass an SGS maintenance audit and be re-certified on or before the Certificate expiry date listed to maintain certification status for an additional one year period.

This Certificate reflects our findings at the time and place of the last audit only and intends to confirm that, with respect to the audited processes listed above, the Company named above has adequately complied with the SGS North America Good Manufacturing Practices Audit for Bulk Grain Handling Facilities which incorporates key elements of HACCP current at audit date. This Certificate provides no guarantee or warranty of the safety of individual products or shipments or of compliance to contractual specifications.

Any decision or action undertaken by any party based on information contained in this Certificate is under that party's sole responsibility and at its own risk.

\*All orders are accepted and all reports and certificates are issued subject to the SGS General Conditions of Service for North America (available upon request or accessible at [http://www.sgs.com/terms\\_and\\_conditions.htm](http://www.sgs.com/terms_and_conditions.htm), or as otherwise agreed.

Any person, including the customer, using or relying on such report or certificate agrees that the liability of the contracting SGS affiliate shall in no case exceed a total aggregate sum of the lesser of US \$20,000 or ten times the fee paid or payable for the service allegedly giving rise to the claim, but in no event in excess of the contracting SGS affiliate's proven negligence; and that the contracting SGS affiliate assumes no responsibility for indirect or consequential loss (including loss of profits)."
