Product List - Non-GM Material Available

We are pleased to confirm that the products listed on the attached appendix are available certified as in conformity with Ingredion's TRUETRACE[®] Non-GM Identity Preserved Program¹. When purchased as a TRUETRACE[®] Non-GM material, certification of the non-GM status will be stated on the certificate of analysis provided with each lot of material. Please note that this list is specific for the PIN number given.

If non-GM product is of interest to you, please contact your Ingredion Incorporated Sales representative.

Thank you for your interest in Ingredion Incorporated's products.
